

Midnight Sun Computing: Eligibility 5010 News

PA Promise Certified for 270/271 batch
EVS processing since 2003

1/1/2014

Edition 1, Volume 2014

What is Eligibility 5010? A comprehensive (batch EVS) automation solution

Happy New Year!

2014 files were checked for changes in format or content and no changes were noticed. If you find any, please let me know.

PA Promise EVS Reporting & Staff Exclusion Reporting

Client Eligibility to receive services:

Who has what coverage?

Who has changed coverage?

Itemized lists of changes of MA, MCO, Medicare and Commercial carriers.

Staff Eligibility to be reimbursed for services rendered:

Manually checking your staff against state and federal Exclusion databases?

Automate with the new checks of your staff/business associates against LEIE, MediCheck and SAM databases.

Do daily checks.

Report on appointments.

Report on clients by service.

Request the whole month and the change reports give you forewarning of pending MA Service termination.

Eligibility5010 evolves during the year:

- Responding to changes initiated by PA Promise
- Adding new reports
- Updating engine
- DB Management tools
- Collaborations

Upgrade Assurance ensures that agencies have immediate access to support and updates within hours.
